Building on our Accomplishments and Outcomes

LAUSD ECE and Parent Engagement Ad-Hoc Committee
April 2, 2015
Access to Early Education

- 105,000 children have become better prepared for kindergarten and beyond
- $136.9M leveraged for children and families, building on First 5 LA’s initial investment

High-Quality Early Education

- 640 preschools have received quality enhancements and coaching from LAUP
- 3,000 classroom quality ratings
- 4,100+ teachers have enrolled in LAUP workforce development programs

Advocacy for High-Quality Early Education

- 2,850 Parent Ambassadors better prepared to actively engage as preschool advocates for their children and community
- 40+ strategic partnerships for Preschool Nation, a national initiative for universal access to high-quality preschool
- 15+ pieces of early education legislation and policy influenced by LAUP

Vision

**Educational Justice**: Every child will succeed in school and life.
Mission

Advance early education program quality and capacity by supporting the development of the whole child, growing a qualified and diverse workforce, and strengthening family engagement. Create and sustain strategic partnerships and advocate for policies that promote access and program excellence.
Priority Areas II and III will strengthen LAUP’s capacity for **Early Education Quality & Excellence**, LAUP’s core reason for existing.
Vision: Educational Justice: Every child will succeed in school and life.

Mission: Advance early education program quality and capacity by supporting the development of the whole child, growing a qualified and diverse workforce, and strengthening family engagement. Create and sustain strategic partnerships and advocate for policies that promote access and program excellence.

Strategic Priority Area I. Early Education Quality & Excellence

Goal I.A. Provide high-quality early education environments that demonstrate excellence and continuous quality improvement.

Goal I.B. Support community implementation of high-quality early education and development programs.

Goal I.C. Establish LAUP’s model for capacity building and technical assistance as the county, state, and national standard.

Goal I.D. Develop and sustain an outstanding early education workforce.

Strategic Priority Area II. Strategic Partnerships, Revenue, and Organizational Development

Goal II.A. Partner with public and private stakeholders to grow high-quality early education programs.

Goal II.B. Grow and diversify LAUP’s revenue sources.

Goal II.C. Develop a strong advancement and entrepreneurial culture.

Strategic Priority Area III. Advocacy & Public Will Building

Goal III.A. Strengthen and garner support for the movement for publicly funded, high-quality early education in LA County, the state, and nation.

Goal III.B. Advocate with strategic partners to create policy and funding opportunities supporting high-quality early education systems in LA County.

Goal III.C. Elevate the profile of early education in LA County and, subsequently, the state and nation.
Business Plan: Primary Business Objective

Grow and diversify revenues from sources other than First 5 LA, while maintaining or enhancing LAUP’s outcomes for young children and their families, in particular, the ability to support growth in early education program quality.
Thank You
