Multilingual and Multicultural Education Department

CxEE Board Meeting
June 2, 2016
MMED K-12 Instructional Programs

- English Learners and English Proficient students learn in two languages towards goal of bilingualism and biliteracy
  - 87 K-12 Programs for 2016-2017
  - Spanish, Korean, Mandarin, French, Armenian and Arabic

Dual Language/Bilingual/Foreign Language Immersion Programs

- A comprehensive, research-based program designed to address the needs of Standard English Learners through CLR
  - 6 AEMP Accelerated Academies
  - 70 schools within the AEMP Support Network

Academic English Mastery Program
MMED K-12 Instructional Programs

- English Learners have access to rigorous curriculum in order to become fluent in English and master all the ELD and content standards.

- Secondary Courses are differentiated to meet the diverse needs of English Learners:
  - ELD 1-2, ELD 3-4
  - Literacy and Language
  - Advanced ELD

- Students are apprenticed in using Constructive Conversation Skills to demonstrate their language and literacy development.

Elementary and Secondary Instruction
